Hi Sonja,

Blame our crazy trial pool system. This is a case we summonsed you on for 1/12/12. Case is now "called -in " for motions and trial this Thursday 2/2/12. This means a motion to suppress is going to be heard first. If I loose, no trial. If I win, trial starts immediately so I have to have all my witnesses ready just in case. I expect you would not testify until Friday in the event this ends up being a trial which also means I will be able to contact you later in the day on Thursday to let you know how the motion went. Can you please tell me what your schedule looks like on Friday in the event I need to call you in, I can try and do it at a set time for you.

Thanks,

Matt
